Our Prefect Commissioning recently took place during our Whole College Assembly.

As part of the induction, the Heads of School demonstrated leadership by washing the feet of our prefects. The assembly concluded with a morning tea for the newly-badged prefect team and many of their parents.
Some Year 9 students from the Indigenous Language and Culture elective class recently had the opportunity to go to the Stolen Generations Culture Day. The stolen generation refers to the Aboriginal people who were forcibly removed from their families from 1910 through to 1970. The children of the stolen generation lost connection with their family, country and language. The open day was run by the NT Stolen Generations Organisation.

The purpose of the day was to celebrate Aboriginal culture, to bring the Darwin stolen generation community together and foster awareness of this part of Australian history for students and adults. We had the opportunity to eat local Aboriginal food such as turtle, dugong, crocodile and kangaroo. There was also a celebration of Aboriginal arts such as traditional dance and painting. It was a great time together!
