

Fee Assistance Policy

Marrara Christian College and NT Christian College form a learning community where parents and staff partner together. Students are nurtured through a loving, biblically-based school curriculum and structure to build their faith, character and desire to serve.

POLICY

The Marrara Christian College and NT Christian College community believes that any of its families who genuinely desires a Christian education should not have enrolments jeopardised due to unforeseen financial hardship.

The College community demonstrates its commitment to its families by its willingness to subsidise part of the cost of educating children for families who, due to unforeseen circumstances, are experiencing significant financial hardship.

Subsidies do not apply to music fees, camps, working bee levy or other discretionary expenses.

- Families must commit to a regular payment plan with direct debit authority for their agreed contribution.
- On receipt of the signed agreement, the College will credit the family's tuition fee account with the fee assistance subsidy.
